Newsletter September 2010

We hope you are enjoying Kindergym this term. With only a couple of weeks left before a two week break for school holidays, we have some news.

Firstly, a very big thank you to Anna for returning and helping us out this term. Without her support we could not have kept Kindergym running. Put the date in your diaries now! This will be our final fundraiser for the year, so your support is important.

We would like to run a jumble stall on the day, so if you have any unwanted, books, toys, children's clothes, or other interesting items, please donate them for sale on the stall. There will be a box for donations at Kindergym. Any unsold items will be donated to the Torrens Valley Community Centre Oppe Shoppe.

If you can provide support on the day (selling drinks, assisting on a stall etc), please let us know. Any help will be appreciated!

Kindergym Setup

We still require help with Kindergym setup on Mondays (time is negotiable). Setup usually takes around 1-1 ½ hrs, but the more helpers there are, the quicker it is. Please, please, please put your name down on the setup roster even if it is just once each term.

Call for Committee Members

Torrens Valley Community Kindergym is a non-profit community organisation managed by a volunteer parent committee. We are currently looking for more committee members to join us. Committee members are vital in keeping Kindergym running and assisting with fundraising activities. Kindergym cannot survive without the involvement of our parents, so please get involved if you can!
